Rudheath
Primary Academy
and Nursery

Dear Parents,

With the end of the school year fast approaching, I am writing to let you know who will be teaching your child(ren) next year and also about some building works that will take place over the summer break and Autumn term.

Building Work
Over the summer break, we are replacing the carpets in 1 classroom with a new, hard-wearing, vinyl surface. We will also be having some of the corridors repainted. At the start of the Autumn term we are also having new boilers installed for the whole school – this will not affect the children in school as all work will be taking place in the boiler house.

Classes for next year.
This summer we will be saying goodbye to 3 of our teachers. Mr Coe is emigrating to Canada with his family, Miss Shaw is moving to supply teaching to widen her experience (although hopes to return here when needed) and Miss Hewitt is moving onto different roles. Remember that every day you have been here you have made a significant, positive, difference to our children's lives. I am sure that all the parents agree that it's been a privilege to have you working with their children in school.

We are pleased to let you know that we have recruited two new teachers to join our team. Miss Ashraf will be joining us from Deeplish Primary School (another school in our Trust) and Miss Bradley, who attended our school as a pupil, will also be joining us in September. Miss Fives, who has been covering maternity in Year 5 joins us as a permanent member of staff. Mrs Marchant, who is currently on maternity, returns in September.

I am sure that you will welcome all of our new members of staff with as much enthusiasm as they have excitement for joining our school.
